We ask that you do not smoke in or at the property.

Noise

Bespoke is located in Delany Avenue and has neighbours either side and at the rear of the property. We ask that you respect the people living at these homes and keep noise to a minimum.

Dog Friendly

Bespoke Holiday House is a dog friendly house. The owners are dog lovers and understand how great it is to travel with your pets.

The rear yard is an enclosed dog friendly space and is secure and spacious so your dog/s can lay in the sun and run around all day. If you would like to go out without them they may be fine to leave in this yard **only if you are 100% confident they will be well behaved, don't dig holes or bark and upset neighbours.** If the dogs are found to be barking whilst you are out we will likely give you a call to return to the house.

We ask that you pick up all the dogs business to keep the yard clean for other guests.

Very well behaved dogs may come in the house but **absolutely must not get up on any of the furniture and under no circumstances must they be left unattended in the house** (dogs will fret in an unfamiliar place and cause damage). Please try your best to avoid dog hair and muddy prints in the house. A Vacuum and broom are supplied in the laundry cupboard for clean ups.

Extra cleaning charges will apply if these terms are not adhered to.

Bikes

Located in the garage there are 4 vintage style bikes. They are free for guests to use and enjoy the cycling tracks. The bikes are only suited to riding on the bicycle track or roads and should not be taken off road. There are helmets provided and must be worn at all times when riding the bikes. There is also a lock to be used in the event you take the bikes out and leave them unattended. Please take care with the bikes so that other guests after you get to enjoy using them also.

Garden

Bespoke has a number of very old plants that have been kept from the original house. In an effort to keep them healthy it is appreciated that you do not cut, remove or damage them or allow your dogs to cause damage.

Please do not park any vehicles on the lawn.

The house has an automatic watering system which comes on at 4am for 20 mins. Please leave the taps turned on so the system will run. If you are requiring water from these taps just turn the gold lever to use the hose attached.

Cleaning

We request that all guests leave the house in a clean and tidy state on departure. Clean Microwave, Cooktop, Oven, BBQ if these items are used during your stay and any dishes washed. General spills, dirt, surfaces cleaned up. All the bedding and towels will be washed by the owners after every guest. The beds can be left unmade.

Damages

Bespoke Holiday House has been a real labour of love for its owners Nina & John. We have shown great respect for the property in its 8 month restoration. The house is filled with vintage restored furniture and original artworks. Most items are either difficult or impossible to replace and we ask that you respect and take care when staying at this house so many more guests can enjoy the atmosphere we have created. Please take care also that damage does not occur to any walls, flooring, bathrooms and kitchen.

Hopefully no major breakages occur but in the case where one may happen the damages costs will be the responsibility of the person making the booking. Any damages over and above the \$300 held bond may be charged to the supplied credit card.
